Our key companies

Finance

Resulting from the merger in 2020 of historic companies of Holmarcom Group, AtlantaSanad Assurance ranks 2nd in the Moroccan Non-Life Insurance market.

Listed in the Casablanca Stock Exchange, the company benefits from a long experience with private, professional and corporate clients. Covering largely the Moroccan territory, AtlantaSanad Assurance aims to be a proximity insurer and a solid, modern and responsible Company.

Founded in 2016, Atlanta Non-Life Insurance Ivory Coast was the first milestone in the development plan of our Group's insurance activities in Africa.

The company aims to become a major player in the Non-Life insurance market of Ivory Coast.

Universal and generalist bank that caters to all customer segments, the bank has been rooted in the Kingdom's history for more than 90 years.

Crédit du Maroc offers tailor-made offers that meet all customer needs, from day-to-day banking services to corporate and investment banking, including financing, saving, bank insurance, asset management, leasing and factoring, private banking and participatory finance through its «Arreda» branch.

Agro-industry

LES EAUX
MINÉRALES
D'OULMÈS

Leader of flat and sparkling mineral water sector in Morocco, the company produces and distributes the iconic brands Sidi Ali and Oulmès as well as the table water Bahia and the natural mineral water Aïn Atlas.

Following its alliance with the Japanese group SBF, the company is in charge of the production and distribution in Morocco of the drinks portfolio of this group, especially the Orangina brand.

Eau Technologie
Environnement S.A

Based in Cotonou and controlled by les Eaux Minérales d'Oulmès, Eau Technologie Environnement is a major player in the market of natural mineral water in Benin. Its Fifa Ste Luce's brand, produced in different formats, is also exported to the neighboring countries.

Agro-industry

As a Holmarcom Group subsidiary since its privatization in 2006, SOMATHES is also at the heart of the Moroccan culture through its historic tea brands. In addition to that, SOMATHES aims to become a major player in the distribution of agri-food products on behalf of various sectors: biscuits, chocolates, confectionery, candied tomatoes and tuna, cheese, ice creams and snacks.

With a vast olive grove in the Oriental region and an integrated crushing unit, the company produces a range of extra virgin olive oils whose unique character comes from its subtle blend of Oriental and Mediterranean roots.

Agro-industry

Sharing their industrial and commercial synergies, the companies of Dénia Holding Group produce a wide range of snacking products (chips and dried fruit) and ingredients for the food industry (dried fruits and vegetables, spices and blanched almonds) distributed in bulk or packaged under the brand Dénia, both on the local and international markets.

Launched in 2021, Dénia Ivoire is an industrial unit specializing in the processing of cashew nuts. The company, based in Abidjan, aims to become a major producer of cashews in the Ivory Coast.

Specializing in the industrial processing of citrus fruits, Juice & Nectar Partner produces juice concentrate, organic and conventional citrus juice and cold pressed citrus oils, for the local and international market industries.

Logistics

Mass Céréales Al Maghreb is the concession holder and operator of three grain unloading terminals in the ports of Casablanca, Jorf Lasfar and Dakar. With significant handling and storage capacity, the company improves both grain carriers productivity and port traffic.

Based in Jorf Lasfar Port, the company provides supply chain services related to the cereal imports. Working closely with Mass Céréales Al Maghreb, it simplifies for its customers all the grain import supply chain process from price negotiation to delivery to the end customer, through transportation, unloading and storage.

Logistics

AirArabia

Established in 2009 in cooperation with Air Arabia as the first low-cost carrier in the Middle East and North Africa, Air Arabia Morocco aims to offer air fares as cheap as possible with the highest level of quality and safety, through a wide range of destinations in Europe and Africa, from many Moroccan cities, as well as more than 10 domestic flights.

Real Estate

Taking advantage of its unique location in Tangier Bay, this exceptional urban and architectural project offers a real diversity of use, both as a primary and secondary residence in an area where nature occupies a privileged place.

As a label of the intermediate real estate of the Group, it focuses on implementing ambitious real estate projects throughout the Kingdom, making every effort to provide a pleasant and sustainable living environment for the largest number of Moroccans.

Peacock Investments launched in 2013 its first project in Senegal, Cité des Fonctionnaires, for the construction of 2850 economic villas on 72 ha in Dakar region.
